

NEWS TO YOU

March 2006

OPENINGS AT FARMINGTON HILLS SCHOOL:

The Farmington Hills School that meets on Monday nights at 7:00pm has room for new students. If you know someone that lives in the Farmington Hills area and might enjoy the Christian Martial Arts Fellowship, have them contact us. They may contact us at info@shieldoffaithkarate.com.

GREAT TEST:

March saw the testing of all Cha Yun Do schools for belt promotions. This test cycle gave everyone an unexpected privilege. Mr. Tim Young, 4th Dan (The only Master Instructor in Cha Yun Do) participated in evaluating students for promotions. Both Dr. Young and Mr. Tim Young were very impressed with the quality of Martial Arts they saw during the test. Good job everyone!

Special congratulations to Krista Alcorn. Ms. Alcorn tested for Bo Dan. She had an outstanding Black Belt Test.

PARENTS KEEP A WATCHFULL EYE:

If you are a parent that brings siblings of karate students to the church during class time, please remember it is your responsibility to be with your children at all times. Activities in the hallways should be limited to moving from one location to another including the bathroom.

ANNUAL CHRISTIAN MARTIAL ARTS FELLOWSHIP DUES:

Remember that the annual dues for belonging to the Christian Martial Arts Fellowship are due in the first part of each year. The fee for 2006 is \$24.00 per student. Checks should be made out to *Young's Karate* and turned into your primary training location. (You may remit the separate check with your monthly billing.) All dues must be up to date before testing. If you joined the karate program this year, your membership dues were included in your start-up fee.

EASTER SEASON IS HERE:

Next month we will celebrate the gift our Father gave us in the sacrifice of His one and only Son. It is this gift that will allow us to spend eternity together in the presence of our Heavenly Father. A gift given to remove the payment deserved for our sins. A gift we do not deserve but given out of love.

We encourage you to take the time this Easter season to reflect on the Grace and Mercy that has been extended to us and share it with others in need.

REMINDER:

Open training is a wonderful way to catch up on hours and to sharpen your skills as we move toward testing. Open training is held at the Troy location on Saturdays. Check the web site for times.
